

QAE ASIA LIMITED

Product Overview

ABOUT US

Our company is conveniently located in Foshan City, Guangdong, China.

We specialise in the manufacture and supply of top quality air distribution products including Diffusers, Grilles, Registers, Louvres, Dampers, Fans, Corrugated pipe, Sheet metal boxes, Flexible duct, Fans and Accessories.

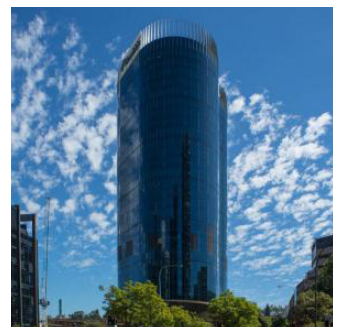

We have successfully penetrated the global market, supplying our quality products to countries including New Zealand, United Kingdom, Middle East, France, Poland and North Africa.

Our products are tested and certified by leading local and international testing specialists so our customers are ensured that our products are of the highest standards.

With over 20 years of experience in manufacturing and developing our products, we are able to provide our global customers with custom made products in accordance with our customers' samples or specific design requirements according to the customer's individual needs.

By embracing Industry Best Practice, our company has achieved the highest level of efficiency and effectiveness in providing our customers with the highest quality products available in the global market.

Our company's motto is "Built on Trust, Delivering Quality."
